

## Client Information and Disclaimer

Hello, my name is Debbie Ulrich, I am your practitioner. Please be advised of the following:

- 1) I AM NOT A MEDICAL DOCTOR.
- 2) I DO NOT PRACTICE MEDICINE.
- 3) I DO NOT DIAGNOSE OR TREAT FOR A SPECIFIC ILLNESS.
- 4) I DO NOT PRESCRIBE MEDICINE, ADJUST MEDICINE OR MAKE RECOMMENDATIONS REGARDING MEDICINE.

I am:

- 1) A Certified Energy Kinesiologist (CEnKP1),
- 2) A Certified Natural Holistic Professional (CNHP)
- 3) A Certified Fitness Trainer (CFT).

My services are not a substitute for medical care; if you are experiencing a specific medical problem, and have not seen your medical doctor I suggest you do so. My practice consists of specialized kinesiology which uses the body's muscles as a feedback system in order to balance body systems and bilateral energy meridians. This may include physical balancing as well as emotional. Modalities may include 'Applied Physiology', 'Allergy Antidotes', 'Brain Gym', 'Emotional Freedom Technique (EFT)', 'Kinergetics' and Learning Enhancement Acupuncture Program (LEAP). These are used strictly to balance body energies, and not intended to treat disease. All information is considered confidential.

I have read and understand the above and freely and voluntarily sign.
